Banned Sustances

Reference: Clover Brand of Toner Products

Dear Customer,

This letter is to confirm that and in accordance with European Directive 2011/65/EU (RoHS), REACH legislation and Nordic Swan requirements, the following substances are considered banned:

lead,
mercury,
cadmium,
hexavalent chromium,
polybrominated biphenyls (PBB),
polybrominated diphenyl ethers (PBDE)

Clover, to the best of our knowledge and according information from our suppliers, does not include any of the aforementioned banned substances in the remanufactured products.

Yours Sincerely

José Araújo
